1. The Case for Fostering Academic Excellence 1

   THE CONCEPT OF "ACADEMIC EXCELLENCE" 1
   ATTITUDES TO SPECIAL PROVISION 1
   WHY SPECIAL PROVISION HAS NOT MADE HEADWAY 4
      "The gifted can take care of themselves" 5
      Giftedness is not a popular cause 6
      Egalitarianism 7
      Fears of elitism 8
      Underrepresentation of certain groups 9
      Teachers are inadequately equipped 10

   WHY GIFTED STUDENTS OUGHT TO HAVE SPECIAL PROGRAMS 11
      Gifted children are a resource 11
      The gifted deserve special treatment corresponding to that received by the handicapped 12
      Gifted children need adequate stimulation 13
      Special provision for the gifted will prevent dropouts, underachievement and delinquency 14
