Socioemotional Development and Health From Adolescence to Adulthood

Edited by
LEA PULKKINEN
University of Jyväskylä, Finland

JAAKKO KAPRIO
University of Helsinki, Finland

RICHARD J. ROSE
Indiana University, United States

CAMBRIDGE UNIVERSITY PRESS
# Contents

**List of Contributors**  page xiii

**Preface**  xv

**Introduction**  1

*Richard J. Rose*

- Two Complementary Finnish Research Studies  1
- Why Longitudinal Research?  3
- Why Twin Research?  10
- Finland as a Research Setting for Longitudinal Research  16
- An Overview of the Book  23

**PART I. LONGITUDINAL AND BEHAVIORAL GENETIC APPROACHES**  27

1. The Jyväskylä Longitudinal Study of Personality and Social Development (JYLS)  29

*Lea Pulkkinen*

- Introduction  29
- Socioemotional Behavior in Childhood  30
- Development Through Adolescence  35
- Development Through Adulthood  43
- Summary  54

2. Genetic and Environmental Influences on Social Behavior and Health  56

*Richard J. Rose*

- Introduction  56
| Differential Susceptibility                  | 57 |
| Selective Exposure                          | 61 |
| Genetic Effects on Behavior: Twin Parents and Their Families | 63 |
| Documenting Environmental Effects on Behavior | 66 |
| Parenting and Children's Outcomes           | 70 |
| Conclusions                                 | 74 |

3 Social Behaviors and Health in Twins: The *FinnTwin* Studies

Jaakko Kaprio

Introduction

Study Cohorts

In-Depth Studies of Subsamples

A Brief Overview of the Analysis of Twin Data

Prospects for Twin Research in the Post-Genomic Era

PART II. ADOLESCENT HEALTH-RELATED BEHAVIOR AND ADULT HEALTH

4 Body Size and Overweight From Birth to Adulthood

Marja-Liisa Kinnunen, Kirsi Pietiläinen, and Aila Rissanen

Introduction

Body Size at Different Ages

Tracking of Body Size From Birth to Adulthood

Genetic and Environmental Effects on the Tracking

Conclusions

5 Pubertal Development and Health-Related Behavior

Danielle M. Dick and Brian S. Mustanski

Introduction

Measuring Pubertal Development

Causes of Variation in Pubertal Development

Consequences of Variation in Pubertal Development

Moderators of the Relationship Between Pubertal Development and Outcome

Conclusions

6 Genetic and Environmental Influences on the Initiation and Continuation of Smoking and Drinking

Danielle M. Dick, Satu Barman, and Tuuli Pitkänen

Introduction

The Initiation of Substance Use

The Continued Use of Substances

Conclusions
## Contents

- **7 Self-Rated Health: Precursors and Implications**
  Karri Silventoinen, Eero Lahelma, and Jaakko Kaprio
  - Introduction 146
  - Self-Rated Health as an Indicator of Health Status 146
  - Socioeconomic Determinants of Self-Rated Health 148
  - Effect of Genetic and Environmental Factors on Self-Rated Health 153
  - The Background of Socioeconomic Health Differences 165
  - Toward a Holistic View: Interplay Between Nature and Nurture 168
  - Conclusions 170

- **PART III. SOCIOEMOTIONAL BEHAVIOR IN EARLY ADOLESCENCE**

  - **8 Genetic and Environmental Factors in Girls’ and Boys’ Socioemotional Behavior**
    Elina Vierikko, Lea Pulkkinen, and Richard J. Rose
    - Gender Differences in Socioemotional Behavior 176
    - Genetic and Environmental Effects on Socioemotional Behavior 183
    - Conclusions 193

  - **9 Emotion Regulation and Well-Being**
    Marja Kokkonen and Marja-Liisa Kinnunen
    - Introduction 197
    - Emotion Regulation as a Process 199
    - Emotion Regulation as an Outcome 201
    - Lessons Learned in the JYLS and the FinnTwin12 by Combining the Approaches 202
    - Conclusions 207

  - **10 Parental Knowledge and Family Atmosphere in Relation to Children’s Socioemotional Behavior**
    Riitta-Leena Metsäpelto and Petri Juvjärvi
    - Introduction 209
    - Child-Centered Parenting and Developmental Outcomes in Children 210
    - Individual Differences in Parenting 213
    - Multiple Informants and the Divergence of Information on Parenting 216
    - Parental Knowledge and Family Atmosphere in Relation to Social Behavior in Children 221
    - Conclusions 227
11 Parental Work and Children's Behavior: The Mediator Roles of Partner Relationship and Parenthood 228
   Ulla Kinnunen and Johanna Rantanen
   Introduction 228
   Links Between Work Instability and Children's Behavior 229
   Links Between the Quality of Work and Children's Behavior 232
   New Perspectives Regarding Employment and Children's Well-Being 241
   Conclusions 244

12 Grandparents as Resource Factors in the Family 245
   Helena Hurme
   Introduction 245
   Grandparents as Resource Factors for Their Grandchildren 246
   Parental Support to Adult Children 250
   Grandparenthood in the Future 260

PART IV. LIFE COURSE AND HEALTH 263

13 Identity Formation, Personal Control Over Development, and Well-Being 265
   Päivi Fadjukoff and Lea Pulkkinen
   Introduction 265
   Two Dimensions of Adaptive Psychological Functioning 266
   Developmental Antecedents and Well-Being in Adulthood 274
   Group Comparisons 280
   Conclusions 283

14 Sense of Coherence and Optimism: A More Positive Approach to Health 286
   Taru Feldt, Anne Mäkikangas, and Kaisa Aunola
   Introduction 286
   Sense of Coherence and Optimism – Distinct or Identical Constructs? 287
   Development of Sense of Coherence and Optimism 292
   Sense of Coherence and Optimism as Health-Promoters 301
   Conclusions 304

15 Unemployment and Psychological Distress, and Education as a Resource Factor for Employment 306
   Katja Kokko
   Introduction 306
   Unemployment and Psychological Distress 307
   Unemployment and Educational Attainment 317
   Conclusions 326
